

Trilogy[®] AAA Automatic

Air Assist Airless (AAA) Automatic Gun

High-performance, compact, lightweight air assist airless gun.

The Trilogy AAA automatic spray gun is a compact, lightweight gun that is ideal for a variety of liquid spray applications. The gun incorporates a variety of performance features, including separate air connections for atomizing air and spray pattern adjustment, offering more application versatility. Its modest size and weight make it ideal for fixed, robotic and reciprocating applications.

The Trilogy AAA gun is also designed for ease of use, since the guns' packing cartridge can be externally adjusted for easy maintenance. The gun is available with a wide range of nozzles and can achieve pressures of up to 3625 psi (250 bar).
